

JSA General Committee

The JSA is supervised by a Council which comprises the Chairman, Vice-Chairmen, Hon-Treasurer, Hon Secretary, Co-ordinator and the Manager.

The Council, together with the Activity Conveners, the JSA Captains and JSA representatives form the General Committee which is the backbone of the JSA.

The Activity Conveners are recruited from various Jardine Group Companies working on a voluntary basis. They form working groups to organise activities for the JSA.

The JSA Captains and Representatives are appointed by individual Companies/Units to co-ordinate participation and channel communication efficiently. They are your contact persons for JSA matters.

The JSA Manager, with a small team of assistants, forms the JSA Office which is located on the 24/F of Devon House.
